Dear Columbus Academy Families and Alumni,

As we do annually, the Nominating and Board Governance Committee is seeking nominations to the Board of Trustees.

Recognizing the vital role played by trustees, the Committee will work to nominate prospective trustees in a thoughtful and methodical fashion, considering an individual's skill set relative to strategic issues currently facing the school and his or her demonstrated ability to function within the committee process.

Please read the Board's statement of [Trustee Responsibilities and Expectations](#). This statement was adopted by our Board to inform potential and current trustees of what is expected of members of the Columbus Academy Board of Trustees. Strong candidates must demonstrate the ability to fulfill these expectations.

As Chair of the Nominating and Board Governance Committee, I welcome your self-nomination or third-party nomination(s) to the Board. Please submit nominations no later than February 15, in writing, to:

Chair, Nominating and Board Governance Committee  
c/o Head of School  
Columbus Academy  
4300 Cherry Bottom Road  
Gahanna, OH 43230

If you have questions related to this process, I may be contacted at [vic@broadlinecapital.com](mailto:vic@broadlinecapital.com).

Thank you,
